## General Safety and comfort

**Blood Pressure:** If you have high blood pressure it is very important that you seek medical advice before using any of the Spa facilities.

**Shower:** As a courtesy to other pool and Spa users we have a strict shower first policy. This means cleaner water and fewer chemicals.

**Medical:** No member should use any part of the Club that may in any way risk passing on any infectious conditions.
Swim Timetable

The Pool
Our pool is 18 metres by 9 metres and ranges from 1 metre to 1.3 metres depth. The pool timetable is carefully zoned to cater for all our members. We have a range of adult and children’s swim times, water workouts, and parents and tots sessions.

Spa/Sauna/Steam
Perfect for winding down after exercise or simply to relax and de-stress. These facilities are strictly limited to adults and junior adults (over 15 years old).

Children's Swim
Children (up to 15th birthday) may only use the pool during allocated time slots, see time-table. All children up to their 12th birthday must be supervised by an adult member at all times.

Children’s Swimming Lessons
Children’s swimming lessons are available during children’s times. 1-2-1 lessons may be held outside these times.

Safety
When taking children (under 12) swimming during Parents and Tots & family swim times we operate a strict Parent/Guardian to child ratio:

Adult to Child ratio:
- Non Swimmer without secured floatation 1:1
- Non swimmer with secured floatation 1:3
- Children under twelve 1:3

Parents and guardians must maintain eyes on supervision at all times their children are in the pool - Please note this is not the pool attendants’ responsibility.

For all non-swimmers, Parents or Guardians must be in the water with eyes on supervision at all times.

Swim nappies must be worn if appropriate – available at reception.

There is no adult swim lane during Family Swim Times and Parents & Tots.

NB During school holidays additional children’s coaching sessions will be held.
